

I WHEELCHAIR SLALOM TRAINING AND DEVELOPMENT BASIC LEVEL

Villanova i la Geltrú, Barcelona, Spain
2nd-5th June 2016

organized by:

aces to sport

FEDPC

Consejo Superior de Deportes

aces to sport

Summary

The training session will focus on all technical aspect of the sport, how to coach slalom athletes as well as to perform as referee at competitions. The training session will also include knowledge of the rules and equip participants to be officials at wheelchair slalom events.

A basic knowledge of the different classification classes of wheelchair slalom athletes will form part of the training.

In order to qualify as CPISRA Officials, it will be required of trainees to attend the Spanish National Championship in May 2016 where they will have opportunity to officiate and gain practical experience as a referee.
